Our marquee seats 44 people and 85 standing, we can also open the sides on our marquee and corner off the gravel area for you so you can enjoy a mixture of inside and outside. Our marquee hire starts at £300. Our marquee is also heated so even in the coldest months it is at its warmest.

We can offer Prosecco on arrival or at a later time during your visit as a toast, this would be £35 per bottle, each bottle will pour 6 glasses, you can add orange juice to turn it into a buck's fizz. We also do have a champagne option for £75 per bottle. We have a vast range of wines, red, white, and rose', from all over the world. Weather it's a White from New Zealand, a Red from Australia, or a rose' from Italy.

You can also have entertainment, however as we are a village pub, we do have neighbours so any music would need to be kept within reason and have ended by 11pm. You have the option of using our speakers, hiring a DJ or a band or a live singer. We have contacts or you are welcome to bring your own.

You can also put any decorations up that you'd like, up to an hour before your booked out slot.

Weddings and Christenings

For a wedding reception or a christening, we can move the tables, so they are around the edge, this way you have a space in the middle of the floor for dancing and mingling. We also have a big round table, a cake stand and a cake knife for your cake. The cake can be delivered directly to us the day before or if you would prefer, you can bring it in yourselves.

With the Swan being in such a rural area it makes for beautiful background in any photos.

Celebration of life

At the Swan we understand this can be a really difficult time for all the family, so we aim to make it as easy as possible for you. We can put together a memory table with a few provided photos, candles, and flowers. If you have any special requests with music or drinks, please let us know and we can sort this for you.

Birthday Parties

Whether it's a big birthday or not we aim to make the day as special as it can be. We want everyone to have the best time they possible can. Inside our marquee we can book the area out an hour before your arrival so you can decorate as much or as little as you want. We also have a cake stand and knife for your use, just let one of our team know and we can do the rest.

Give us a call or an email to set up a meeting to discuss any enquiries and do take a look at our reviews from previous customers who have celebrated here.
